

## **Remote Learning and Online Access at St Elizabeth's**

In the event of further COVID-19 lockdown measures or bubble closures, we have been putting plans in place to help your child with their home learning.

We will use our school 'Class Dojo' app to communicate with parents and Google classroom (Y3-6) and Zoom (YR-2)

Children can log onto their Google Drive accounts through Google Chrome and our infant classes can access zoom meetings through links shared in their class Dojo messages.

## **What does learning from home look like?**

- Children will be in 'Google Classroom' or on a 'Zoom' with other children from their year.
- Class teachers and support staff will then arrange 'lessons' that children can attend.
- You can join a Google Classroom or Zoom lesson via a laptop or on a smartphone – please contact the school if you have any problems.
- Teachers may record the necessary lessons, and these can be accessed via Google Classroom or Zoom
- Virtual lessons will usually take the form of an introduction (the initial teaching) which explains the learning, an explanation of the task (what the child should do) and reference to the resources they might need to use.
- If there is a problem with the learning, please contact the class teacher through Class Dojo and they will be on hand to give advice. Please remember that with 30 children in a class, there may be a short delay in receiving a response.
- Other learning activities may also be sent home, for example: Times Tables Rockstar or learning spellings, which your child can complete without teacher direction.
- Please note, it is expected that your child completes the learning that has been set and returns the completed learning to their class teacher as instructed.

Please also see the schools 'Remote Learning Home Agreement' for you to discuss with your child so that we are all keeping each other safe!

Thank you, as always, for your continued support and please do not hesitate to contact us if you have any additional questions or concerns.

Yours sincerely,

Mr M Doyle

Headteacher
